Seeking Beth Tzedec Post-Secondary Youth

Dear Parents,

I would like to communicate with your post-secondary students throughout the year as a way to continue my and Beth Tzedec's relationship with them. It is a time when this "Jewish connection" is important as they wrestle with the many complex issues facing them as Jewish students on campus. In addition, I always enjoy sending them some treats for the various holidays.

So, please send me their names, the post-secondary institution they are attending and what year they are in, email address, and campus address.

I look forward to conveying to them a Rosh Hashannah greeting so please forward their information as soon as you can.

Thanks,
Rabbi Osadchey
