Gabriel Josef Ungar
December 5, 2020
19 Kislev 5781

Gabriel Josef Ungar was born on April 19, 2007 at the Rockyview Hospital in Calgary, Alberta.

Gabriel is named after his great grandfather Josef Ungar who immigrated with his family to join the fledgling Jewish community in what would a few years later become the Jewish state of Israel, after surviving the Holocaust in the forests of Slovakia and western Poland.

It has been a blessing for Gabriel to be part of such an amazing class at CJA that has seen the vast majority of the original group of students stay together through Nursery all the way into Junior High School. It seems like only yesterday they were little toddlers listening to story time in the classroom. Now they are having their Bar and Bat Mitzvahs.

Gabriel has made many great friends and has maintained friendships with many of the students that have now moved away, while building a strong and rich foundation for his Jewish faith and understanding of the Torah and our Jewish traditions. It is his curiosity that has driven his commitment to embrace the teachings of the Torah today and we are so proud of his achievement.

Our family wishes to thank Cantor Russ, Moshe Oren and the staff and congregation at Beth Tzedec for the role they have played in helping Gabriel reach this milestone in his life.

Mazel Tov Gabriel.
