

We are now starting the second half of the season. There are some really close races in two of the divisions with teams tightening up the gaps. We have had at least three shiva 'houses' in the past month or two. Thank you to everyone who helped those families mourn their loved ones. We have also been a little lean on a few mornings, just barely eking out a minyan. If you can join in the mornings, please do.

### Hebrew School but Better

Thursday, February 17th - 7:00-8:30pm

Open to all Jewish young professionals

Did you make it through a primary Jewish education with nothing to show for it except a strange feeling of guilt whenever you walk past a synagogue? This is the series for you. It turns out it's not too late to develop your own personal connection to the chain of life wisdom known as Judaism. Join Jonah Potasznik in uncovering the insights into modern life that are available to us through ancient and classical Jewish sources. We'll provide the beer and spirits; you provide the curious spirit. And don't expect a lecture - we'll discuss, converse, and if all goes well, even argue a little bit. Register at [www.cutt.ly/hsbb](http://www.cutt.ly/hsbb).

### Teen Learning Project

Monday, February 28th - 7:00-8:30pm

Join TLP for deep discussion, intense debate, and powerful insights on the biggest issues affecting our lives today. Please register at [www.cutt.ly/teenlearning](http://www.cutt.ly/teenlearning).
