What is this literary genre's ultimate purpose? Explore these and other questions with Rabbi Russ as you learn about the content, structure, and characters in each of the Megillot that we read during the year.

### Hebrew School but Better

Thursday, March 24th - 7:00-8:30pm

Open to all Jewish young professionals

Did you make it through a primary Jewish education with nothing to show for it except a strange feeling of guilt whenever you walk past a synagogue? This is the series for you. It turns out it's not too late to develop your own personal connection to the chain of life wisdom known as Judaism. Join Jonah Potasznik in uncovering the insights into modern life that are available to us through ancient and classical Jewish sources. We'll provide the beer and spirits; you provide the curious spirit. And don't expect a lecture - we'll discuss, converse, and if all goes well, even argue a little bit.

Please register at [www.cutt.ly/hsbb](http://www.cutt.ly/hsbb).

### Teen Learning Project

Monday, March 28th - 7:00pm

In partnership with Kehilat Shalom
